Dear Family Member:

I'm reading *A Harbor Seal Pup Grows Up* in class this week. I learned that things in a story happen in order. They happen first, next, and last. This order is called *sequence*. The first thing that happens in this book is the birth of a seal pup. She is called "Sidney." Something will happen to Sidney. That will be the next part of the story. I want to know if Sidney will be okay.

PALABRAS DE VOCABULARIO

examine	hunger	mammal
normal	rescued	young

Sin ton ni son Podemos crear un cuento sin sentido con estas palabras. Te voy a preguntar qué significa cada palabra y después la podemos usar en una oración ilógica, algo como "I lost my glove in the snow, and in April I rescued it from the mud." Luego podemos decidir cuál oración que hicimos es la más tonta.

Conexión con el hogar

Queridos familiares:

Esta semana estoy leyendo en clase *A Harbor Seal Pup Grows Up*. Aprendí que los sucesos de un cuento tienen una secuencia. Ocurren primero, después y al final. A esta secuencia la llamamos *orden de los sucesos*. Lo primero que sucede en este libro es el nacimiento de un cachorro de foca de piel moteada. Se llama "Sidney". Algo le va a pasar a Sidney. Esa será la parte siguiente del cuento. Yo quiero saber que a Sidney no le va a pasar nada malo.
